## Manufacturing tough, innovative equipment that moves you forward.

### QUALITY

When it comes to quality, we never compromise. From production to service, we deliver equipment that's built to last. That's what Ledwell Made means.

### GRIT

We work hard. We're problem solvers. We meet customer challenges with innovative solutions. We get it done.

### LEGACY

It took sweat, dedication, and a lot of hard work to build this company. This legacy guides us today.

### FAMILY

Our people care. We do what's right for our employees, our customers, and our community – because that's what family does.

# CHEMICAL TOTE

Ultimate mobile storage tank solution

When you need to transport specialty fluids to your oilfield or work site, Ledwell Chemical Stake Beds and Chemical Tote Beds get the job done. These chemical beds safely carry plastic or aluminum totes that can hold a range of specialty fluids, including motor oil, methanol, and antifreeze.

Our team will customize your chemical bed with the right materials and fittings for the fluid you need to haul.

# LUBE BUDDY

**Perform lube service and maintenance directly in the field.**

Two options provide a mobile service center designed for your light-duty pickup truck or medium-duty flatbed. The Lube Buddy, Jr, or Lube Buddy Max are easily transferable from the truck to the job site, making the Lube Buddy work where you need it.

Available with two 20-gallon fresh tanks and one 40-gallon waste tank or 100 and 50 gallon fresh tanks and 150-gallon waste tank, respectively. The Lube Buddy is a must-have for any operation to service equipment when and where you need to.

# WATER TRUCK

One of our top-selling products that lives up to its reputation.

Ledwell's legacy of industry-leading craftsmanship is evident in our top-quality Water Truck. With a well-earned reputation for its performance, durability, and extended life span, this truck is a crowd favorite for our customers. Ledwell's Water Truck is the water hauler you need for construction sites, race tracks, or any job requiring dust control.

Available in 2000 and 4000 gallon configurations.

# VACUUM

Designed to undergo continuous operation

Ledwell manufactures a distinct variety of Vacuum Trucks and Trailers in both ASME/DOT and Non-Code configurations. These trucks are widely used in numerous energy industries, including hazardous material containment, first response cleanup, oil and gas, and hydro-excavation.

No matter what industry you work in, the longevity and rugged design of a Ledwell Vacuum Truck or Trailer will lower your total cost of ownership.

# ROLL OFF HOIST

**Designed for long-term service and durability.**

The rigid frame design, cable and lock connection provides a dependable truck that will get the job done with minimal maintenance to provide maximum value to our customers.

Ledwell can manufacture and customize a Roll Off Hoist Truck that meets the specific hauling needs of virtually any industry.

# DETACH GOOSENECK TRAILER

The best for oversized heavy payloads.

Ledwell's Detachable Gooseneck Trailer is the best of both worlds in heavy haul and equipment transporting. When you have a job that requires a heavy load with a minimal vertical climb, detach the nose and load on the lower deck from the front.

The 53-foot length is our most popular choice for this trailer.

details

Stakebed trucks from Ledwell are designed to haul an array of heavy loads. Whether you need building materials, oil field services, or a combination of cargo, we can deliver.

# STAKEBED

**Adapt to the job on hand to transport a variety of materials.**

The stakebed trucks built by Ledwell have removable or foldable sides depending on your hauling needs.

Available in bed lengths ranging from 12 to 22 feet. You can easily load and unload up to 6,000 pounds with one of our rear or side lift gate options. Need something stronger? We can custom-build the stakebed needed to get the job done.

# TRACTOR RIG UP

Ledwell offers custom tractor up fits to go on any new or used tractor. Choose from various Tractor Wet Kits that provide outstanding performance in the Oil and Chemical, Bulk Haul, and Transportation Industries. High quality pumps and hydraulic systems deliver a product that you can rely on.

# SERVICE TRUCK

## Work-ready solution for mobile maintenance

When equipment goes down in the field, you need a service truck with everything required to perform off-site repairs. We've partnered with Stellar Industries to deliver the best service trucks.

Options include the TMAX1-11, TMAX2-11, and TMAX2-14. Each model comes prepped with a heavy-duty crane. Add a Lube Buddy for the complete mobile service truck for your fleet.

# CHASSIS & TRACTORS
