

SERIOUS EQUIPMENT HAULING

NO CDL REQUIRED

More Drivers. More Flexibility. More Freedom.

FREEDOMTAIL TRUCK

No CDL Required

Put more employees behind the wheel and keep equipment moving without relying on a CDL driver.

Perfect for Lighter Equipment

Purpose-built for geotechnical drill rigs, compact construction equipment, rental fleets, and service equipment, delivering the capability you need in a right-sized package.

Greater Fleet Flexibility

Expand your driver pool, simplify scheduling, and reduce downtime by putting more qualified employees on the road.

Easy Equipment Loading

The proven HydraTail design helps operators load and unload equipment efficiently with confidence.

Built to Last

Designed for dependable performance, day after day, with the rugged construction and proven engineering customers expect.
